This fabulous terraced villa is set in the heart of the conservation village of Houston. Terraced villas in the centre of the village rarely become available, particularly in the condition such as number twenty one.

The accommodation comprises; entrance hall, front facing lounge with feature electric fire, breakfast kitchen with storage cupboard and Upvc door to the incredible rear garden.

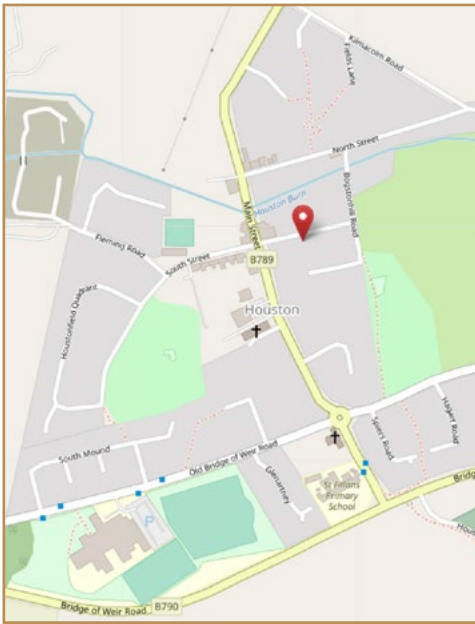

On the first floor there are two double bedrooms, both with fitted wardrobes and the house bathroom which has

been fully tiled. A fixed staircase gives access from the hallway to a floored and lined attic.

The undoubted feature of the property is the location within the village and the garden grounds. Immediately adjacent is a lawn section leading to a private terrace bordered by timber fencing. the garden continues beyond this and is mainly laid to lawn.

The property also benefits from gas central heating and double glazing.
