This beautiful 'Marr' style top floor apartment was completed by Stewart Milne Homes in 2022 and overlooks the rooftops of Dargavel village.

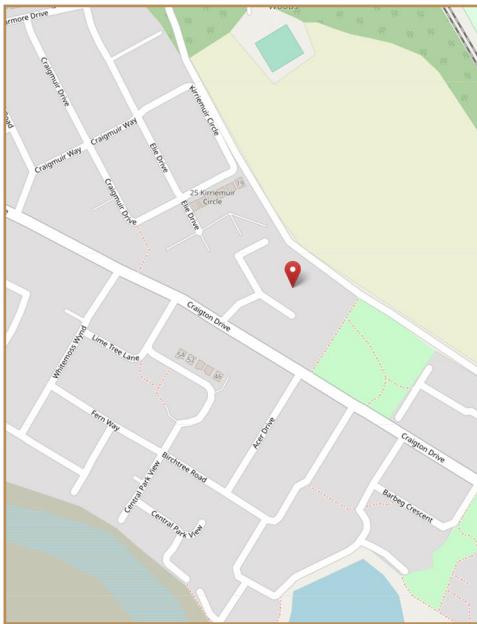

A security door entry system provides access to the communal hallway where there is both stair and lift access to all levels. The apartment is located on the third floor and has an inviting reception hallway with two storage cupboards.

The stunning dining size lounge is in the corner of the building and has dual aspects overlooking the avenue and the benefit of French doors to a well proportioned balcony with composite decking. A set of glass double doors leads to the contemporary breakfast kitchen that has ample wall & base

units with integrated AEG appliances which includes oven, hob, extractor hood, fridge freezer, dishwasher and washing machine. The principal bedroom has an en suite shower room with a generous walk in shower. There are two sets of mirrored wardrobes in both bedrooms and completing the accommodation is the apartment bathroom.

The property also benefits from gas central heating and double glazing. There are well tended communal ground and residents parking with an allocated space and ample visitors parking.
