Location

The popular coastal town of Musselburgh is situated on the southern shore of the Firth of Forth at the mouth of the River Esk. It is surrounded by unspoilt countryside and offers delightful walks along the river, promenade and links. Leisure facilities are varied including the famous Musselburgh Racecourse, choice of golf courses, theatre, harbour, sailing, cycling, swimming pool/sports centre and modern private gymnasium. The town retains its original market town shape, which is now lined with numerous shops, including a choice of banks along with a wide range of supermarkets including a large Tesco. There are excellent educational facilities within the town including the Queen Margaret University. Transport links to Edinburgh include a railway station and regular bus services. Fast main roads link easily with the A1, which in turn provides access to the City Bypass, major motorway connections and Edinburgh International Airport.

There is a small, private front garden which has paved and pebbled seating area with flower beds comprising a variety of plants and shrubs. To the rear is a gated courtyard which has been paved and chipped for ease of maintenance and offers a lovely shaded seating area.
