Benefitting from planning permission and building warrants for a two-storey home of individual design with an estimated size of around 270 sq meters. Tucked away within a small gated community this home can be built in a bespoke fashion with many options available, designed to suit your own specific needs. Fantastic opportunity to utilise the current on-site builder who has expertly completed the other properties. Viewing is recommended to appreciate the beautiful setting within the charming Village of Cousland. Listed below is an outline of the potential accommodation as per current planning. Situated within and exclusive gated development. Fully serviced plot with full warrants and consents. Self-build option or current on-site developer. Lounge. Kitchen with dining and family room area. Utility room. Downstairs bedroom & shower room. Store room. Primary bedroom with en-suite. Two further double bedrooms on the upper floor. Family bathroom with separate shower and bath. Driveway and detached garage. Gardens ideal for entertaining.

Situated in an attractive semi-rural village within a private gated community, around 2 miles from both Dalkeith and Musselburgh, this plot and village offers the dual benefits of country life and easy access to Edinburgh and the surrounding villages and towns. There are quick road connections to the A68, City Bypass and A1, with Edinburgh situated approximately 10 miles away. Dalkeith and Musselburgh both have frequent bus services and connections to the city and other parts of Mid & East Lothian with railway stations at Eskbank, Newtongrange, Gorebridge and Wallyford, that offer a fast and frequent service into Edinburgh, and access to both the East Coast and the Borders. In addition, there is also a Park & Ride facility at Newcraighall, which lies within a short car journey. Schooling is well catered from nursery to secondary level and the prestigious Loretto is nearby. This location really does marry the village setting with access to great amenities including the coast.
