Welcome to 3 LITTLE SPOTT STEADING

Forming part of an exclusive, B-listed steading conversion in Little Spott, this immaculate three-bedroom house boasts a sought-after rural location, whilst still lying within easy reach of excellent amenities and transport links. The development itself is ideally situated to take full advantage of its position, with panoramic coastal views (including the iconic Bass Rock) to one side, with scenic countryside views to the other. The steading has been meticulously and tastefully renovated to a high standard by Colorado Construction, using the finest materials and craftsmanship, and retaining much of the original building's charm. The external red sandstone is the original steading stone and paired with a pantile roof, whilst, internally, high-quality fixtures and fittings and tasteful Farrow & Ball décor offer an exquisite modern home with excellent eco credentials.

LITTLE SPOTT

Beautiful countryside on the doorstep, and the fantastic amenities of a large town nearby in Dunbar

3 Little Spott Steading enjoys the best of both worlds: the peace and tranquillity of a rural setting, with beautiful countryside on the doorstep, and the fantastic amenities of a large town nearby in Dunbar. Dunbar is just a few minutes' drive away from the property, as well as the A1, offering a major road link across the county and further afield, connecting to the M8/M9 motorway networks and allowing easy access to the capital. Dunbar is a vibrant town on the breathtaking East Lothian coast, boasting white sandy beaches, John Muir Country Park, protected woodland areas, a train station (with a journey of just over 20 minutes taking you to Edinburgh or Berwick), and an old working harbour.

The town itself offers a lively High Street with award-winning shops including fresh produce and grocers, bakers, butchers, banks, fine art galleries, coffee houses, restaurants, hardware shops, a florist, chemists, and a garden centre. On the outskirts of the town is a major supermarket, a larger garden centre, and a fast-food outlet, in addition to the famous DunBear: an imposing sculpture tribute to John Muir, designed by Andy Scott, the Scottish sculptor also responsible for the Kelpies. Further high street stores and food outlets are due to be added to the outskirts of the town over the next few years. Dunbar's state-of-the-art Leisure Pool offers a family-friendly pool with a wave machine and flume, a gym, and fitness classes, in addition to independently-owned Platinum Performance Centre which provides a top-of-the-range gym and martial arts facilities.

The town also benefits from a children’s soft play centre, tennis courts, large sports grounds, two golf courses, a surf school, and an extreme water sport centre, as well as a popular family park on the outskirts. Dunbar is known for its

outstanding schools, both at primary and secondary level – the two Dunbar Primary School campuses are an 8- and 10-minute drive from the property, with Dunbar Grammar School just 11 minutes away by car. The renowned Belhaven Hill independent school is just a 12-minute drive from the property.
